## <u>How it Works</u>

Each term, support your child to pick the homework they wish to complete, aiming to collect at least 5 stars in total.

## Homework Pick and Mix

## <u>Autumn</u>

My Communication	My Thinking	My Well-being	My Body	My World
Encourage your young person to communicate for a motivating object or activity.	Prepare for a walk in the park. Choose what clothes you will need (talk to your young person about why they may need certain clothes in Autumn).	Prepare the breakfast table	Go through morning hygiene routine; such as brushing teeth, washing face, getting dressed.	Visit the shops or another busy place. Listen to the noise & show awareness of other people.
Using communication devices or method familiar to your young person, Make a choice out of two at a key time in the day e.g. breakfast or clothing	Go for your Autumn walk. Collect various leaves, sticks, conkers.	Take turns with a friend or family member to play a game.	Take part in a physical activity that is fun and engaging. You could play football in the garden or dance to your favourite song.	Take part in a journey without a vehicle. Practise crossing the road safely (with support).
Communicate how you are feeling on a daily basis, use your child's familiar communication aid or method of communication	Sort the items you have collected and count how many of each item you have (with support if required)	Create a known list of house jobs to complete. Ask your young person to assist with an agreed amount of jobs on a daily basis.	Complete a known household task independently or with minimal support.	Visit a familiar place together. Show that you understand who is working there by pointing at the person doing a certain job.
