

How it Works

Each term, support your child to pick the homework they wish to complete, aiming to collect at least 5 stars in total.

Bear Class - Homework Pick and Mix

Summer 2024

				
<p>Can you watch a favourite short film with your family? Pause the scene—what can you see? What is happening? What happens next? Who is your favourite character?</p> <p style="text-align: right;">★</p>	<p>In Computing we are learning about digital sounds—can you create a video using a phone or tablet of different sounds in your house? Can you record yourself and listen back?</p> <p style="text-align: right;">★</p>	<p>Can you complete a 'sensory circuit' at home—start with something active such as running, jumping or spinning to a song, before moving in a co-ordinated way. Try crawling, stretching or throwing balloons before choosing a calm song. During calm can you count your breaths, blow bubbles or have a squeeze?</p> <p style="text-align: right;">★</p>	<p>In PE we will be learning about different fielding games. Can you practice throwing different objects into baskets? Can you use a bat to hit a ball before running to a set point like in cricket or rounders?</p> <p style="text-align: right;">★</p>	<p>Go for a walk outside—can you identify what you can see? Can you use different materials such as paint, collage or pens to make a picture of what you saw on your walk?</p> <p style="text-align: right;">★</p>
<p>What are your favourite hobbies and sports? Do you have any books at home about these? Can you participate in your favourite hobbies—take photographs and talk about what you're doing and how you felt. Do you like, think it's okay or don't like different activities?</p> <p style="text-align: right;">★★</p>	<p>Practise your counting skills during your daily routine at home, e.g. how many spoons are in the sink? How many shoes are by the door? Can you match to a numeral and practise writing it? Can you add more? Can you take away?</p> <p style="text-align: right;">★★</p>	<p>Can you identify how you're feeling today? What can you do to help yourself feel better?</p> <p style="text-align: right;">★★</p>	<p>Can you find a Cosmic Yoga on YouTube and follow the actions? See if you can practice deep breathing. How do you feel after doing yoga? Are you calm, relaxed and ready for the day?</p> <p style="text-align: right;">★★</p>	<p>Can you create a treasure trail at home with your family? Can you find the sofa? Can you find the stairs? Which direction are you travelling in to move about?</p> <p style="text-align: right;">★★</p>
<p>Can you look through different photographs and identify who, what doing, what and where like we practise in our Colourful Semantic sessions? See if you can apply these skills to make sentences about what is happening in your favourite books at home.</p> <p style="text-align: right;">★★★</p>	<p>Explore a range of cooking ingredients—can you change these by mixing, heating or cooling? Can you explore materials turning from solid to liquid by melting, e.g. ice or chocolate?</p> <p style="text-align: right;">★★★</p>	<p>In PSHE we are learning about taking care of ourselves. Can you try and be as independent as possible during self-care routines at home? Can you help go to the supermarket and buy ingredients to make a healthy meal at home? Can you help to tidy up and keep the house clean?</p> <p style="text-align: right;">★★★</p>	<p>Can you try and be as independent as possible during mealtimes? Can you help set the table by finding knives and forks? Can you clear your plate away and help with the washing up? Can you try and wipe the table and sweep the floor?</p> <p style="text-align: right;">★★★</p>	<p>We will be design, making and evaluating a boat in DT sessions this term. Can you use recycling from home to explore 'junk modelling'? What can you see on the packaging—can you recognise colour, shapes and letters? Can you use construction material such as glue or tape to create something?</p> <p style="text-align: right;">★★★</p>
