Autumn Term 2023

 My Communication	 My Thinking	 My Well-being	 My Body
Listening to Sounds Listen to / watch the story Goldilocks and the Three Bears (this could be the animated version on YouTube). 	Go on an Autumn walk. What colour leaves can you see? Can you find some conkers and leaves to explore? 	Engage in sensory massage. How does it feel? 	Explore 3 different smells from your home. Which do you like the best? 
Listen carefully to home made sensory sound bottles (water - shake, spin, and slide to hear the splashy sounds and sand - shake and tap the bottle). Which did you like best? 	Explore texture through homemade sensory bags - (crunchy cereal, soil, shaving foam, rice, cotton wool, flour). 	Enjoy spending quality time with a family member who is very special to you. 	Have a go at stretching different parts of your body. Can you stretch your arms, legs and your whole body on the floor? 
Sound trail Environmental Sounds - What sounds can you hear in the your home and in the garden? 	Go on a shopping trip and experience the action of exchanging money to buy goods. 	Use a mirror to look at and share reflections of different emotions including happy, sad, tired, scared and excited. 	Have a go at reaching out for motivating objects? Can you track them when they go out of sight?
