

# Going Back to School

Old Park School is open.

I am going back to school.

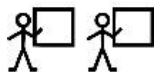

I need to wear my school uniform.

School is going to be different.

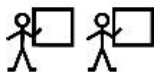

I may be on different transport.

My teachers will be wearing special masks or visors.

I may go into school through a different door.

My teachers will help me get to my classroom.

My classroom might look different.

I will need to wash my hands lots of times.

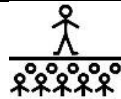

I will eat my lunch in the classroom.

I must use the toilets by my classroom.

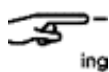

There is no soft play, swimming, rebound or sensory room.

I will have assembly in my classroom.

I do not need to worry.

I am going to have lots of fun.
