| NA                | Leopard class   |
| AG in place of BH | Class 4         |

Apologies were sent from Bear, Parrot and Eagle classes

- ❖ Everyone learned each other's names and how to say and sign them. Some members had brought Big Mac switches with their name recorded on it.
- ❖ Members used mirrors to look at their own smile and then used it to greet the person on either side of them. We remembered the SMILE project which is running at Old Park.
- ❖ Some members were given photographs of other members and were asked to find that person and make a new friend. The school council members moved around the room and greeted one another with a hand-shake, smile and vocalisation or speech. The Big Mac switches were also used.
- ❖ The annual election of Chairperson for School Council took place. A double switch for "yes" and "no" was used. The results were: MS 2, NA 1 and AG/FH 4 votes. Therefore F will be Chairperson for this year.
- ❖ There were no suggestions brought from classes this time.
- ❖ The School Prayer was said at the end of the meeting
- ❖ Everyone received a School Council sticker to wear back to class.
